In order to establish a complete English medium umbrella world and educationally, sacramentally high society of Dhaka and nearing place, I have established S.P.MEMORIAL PUBLIC SCHOOL

in Rupnagar .As a consequence of late Sahdeo Prasad's ardent desire, I am making an endless effort to impart a quality education to the children of this area. My firm determination for the development of all classes of society, especially the children of downtrodden classes keeps me philanthropically aware. I am destined to inculcate in the children the educational qualities, unselfishness helpfulness and independence among the students.

In the changing world ,we speak of modernization and think proudly to be in the 21<sup>st</sup> century never giving a second thought whether we are in tune with the changes.In fact we are too bold to accept the fact that there is still so much to learn,we have to make strong commitment to remove our mistakes and accept reality.We being Indian and it is our prime duty to help the ignorant ones and relised problems like illiteracy and communalism,The young generation is easily shadowed by westernization and ends up forgetting the cultural heritage of our country.
